ECO TIP

The Season of Creation (1 September-4 October) is dedicated to God as the Creator and sustainer of all life. Join A Rocha UK's Season of Creation prayer and reflection webinar on Wednesday 2 September to start this season with others. During this period of the church calendar, many churches celebrate Harvest, thanking God for his provision through the land and the food that it produces. If you are part of a church or community, suggest that a service or gathering has a Season of Creation focus. Prayers, worship, teaching and the offering could focus on creation. Could there be an activity with a creation focus too? Explore more Season of Creation resources at: arocha.org.uk/what-we-do/season-of-creation
